

*Creating Hope*

*Answering Needs*

*Changing Everything*

C.H.A.N.C.E. is a new club at Green Valley High School that is dedicated to helping others in three ways: 1) Fundraising for Charitable/Non-Profit Organizations, 2) Volunteering, and 3) Having Fun. The purpose of chance is to encourage volunteering by organizing group volunteer events, to teach students about the many nonprofit/charity organizations out there, to support other nonprofit/charity organizations through collections and fundraising events, and to inform students about all the different ways they can help their community.

**Alone,**

We Can Achieve  
Very Little

**But Together,**

We Can Truly  
Make A Difference

2011-2012

# Volunteer

*The only community service club that allows students to have a say in who and how they help.*

**Volunteer:** Students will have the opportunity to volunteer, as a group, at least two times per month. The goal is to get students immersed in as many volunteer atmospheres as possible by organizing events that require different skills, are located in different areas, and that work with different groups of people. Last year's most popular events include the TLC Care Center and Arroyo Grande Park Clean Up.

**Fundraise:** Students will organize and participate in different fundraisers throughout the year. All proceeds will be donated to two different nonprofit/charity organizations. These organizations will be decided by C.H.A.N.C.E. members during the third meeting of the year (09/23/11.) Last year's most successful fundraisers were Caroling at Town Square and Tulip Grams.

**Drives/Collections:** Different collections will be held throughout the year in order to assist our local organizations. Last year we held a collection for Three Square Food Bank, Title I Homeless Students at Green Valley High School, and the Henderson Animal Shelter.

**Friday Meetings:** C.H.A.N.C.E. meetings are held every Friday at 2:20pm. Meetings are a great way to end the week because not only do we get down to business, but we enjoy ourselves as well. Exciting games/activities will be planned for each holiday. Last year students enjoyed playing Olympics over the course of three weeks, Fear Factor, Charades, and watching I-Robot.
