Creating Hope, Answering Needs, Changing Everything

Our Mission: to help our global community by encouraging volunteering, raising funds for other nonprofit/charity organizations, and to have fun.

WHAT WE PROMISE TO DO:

- 1) Provide at least two volunteer opportunities per month
- 2) Immerse you in as many volunteering atmospheres as possible
- 3) Organize numerous fundraisers throughout the year
- 4) Hold many different drives for those in need
- 5) Open your eyes to the real world – teach you about the many different organizations that exist and inform you about the many issues the world currently faces
- 6) Keep you entertained and well fed – on many occasions we will hold parties, play fun games, and eat!
- 7) Make you a part of our wonderful family :D
