

OCTOBER 2010

UNICEF - UNITE FOR CHILDREN

WHAT IS UNICEF?

UNICEF (United Nations Children's Fund) is an international organization committed to bettering the lives of unfortunate children who are facing poverty, violence, disease, and discrimination. UNICEF provides long term humanitarian and developmental assistance to thousands of children in several developing nations. They are strong advocates for giving children better education, providing immunizations from diseases, creating a safe environment in developing communities, and working to assure equality to those who are discriminated against.

CHANCE'S COLLABORATION WITH UNICEF

Green Valley High School's C.H.A.N.C.E. club is participating in this year's "Trick-Or-Treat for UNICEF" program. A UNICEF box will be provided for C.H.A.N.C.E. members, & our goal is to fill as many boxes as we can to raise funds for UNICEF. (Each full box will be considered an hour of volunteer work. You'll need 5 hours of volunteer work to be considered an official C.H.A.N.C.E. member.)
